

Dear Friend of Project Ethiopia,

The holiday season is approaching. As you think of unique gifts, *may we suggest* a gift that will bring the satisfaction of improving an Ethiopian child's education opportunities and the family's improved health?

For each gift, Project Ethiopia will send you a gift card explaining the importance of the item you selected **and a photo related to each gift.**

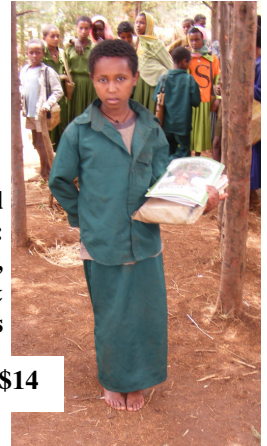

#2 Recycle/Repair table and 4 metal chair frames with wood seats for school.

#2 \$45

#1 Give a child access to school: uniform, supplies, soap, one book, & 2nd set of clothes

#1 \$14

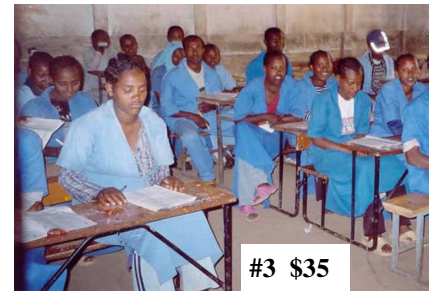

#4 Give one modern bee hive for pollinating crops and a cash crop of honey

#4 \$35

#6 Concrete floor in mud/straw home. Children's cognitive ability increases with no parasites & health improvement.

#6 \$400

#3 \$35

#3 Allow 6 students to have a desk, Give a classroom triple desk for 3 students each shift.

#7 Clean water! Give a school or village safe water.

#7 \$2,100

#5 Improve health by giving a twin pit composting family latrine: materials for 2 concrete floors, toilet pan, & 2 foundation rings. Family digs pits, builds building.

#5 \$78

100% of your dollars create jobs, help village business and build village economy. Where possible, materials are purchased locally. Administrative and travel costs are paid by Judy & Dennis. Our Ethiopian partners, Awoke Genetu and Workineh Genetu are the keys to our success, providing vision, practical advice, building strong community support and supervising all projects. The Project has 501 (c)(3) status. **Thank you.**
